

QUILTING SUPPLIES

The quilters have been busy making many quilt tops to send to Lutheran World Relief and even some for Whatcom County. Donations of slightly used flat sheets (twin or larger), fabric at least $\frac{1}{4}$ yard or larger. We are presently using cotton, corduroy, quilted and flannel. We cannot use fabrics with religious symbols, U.S flags or military insignias, which include camouflage. Lutheran World Relief provides material resources based on need, regardless of religious creed. Please put donations by the Mission Quilters door in the basement, as the door is locked. During 2010, 319,610 quilts were sent all over the world.

The quilters meet on Monday mornings from 9:30 – 11:00 except the second Monday of the month. The process is simple and we welcome anyone who would like to be a part of helping with this ministry. We have a new member, Bruce Relay, who has sewed some very colorful quilt tops. You will see some of Bruce's creations on May 1st, when we have the "Blessing of Quilts" during worship service.

"A quilt will warm your body and comfort your soul."
